PROPERTY DESCRIPTION

From its lush, beautifully landscaped courtyard to its elegant interior, this top-floor, two bedroom, two bath condominium offers a Mediterranean retreat in the heart of the Bay Area. Mature trees and an impeccable formal garden surround the building, whose stucco exterior and red tile rooftops are reminiscent of Old Spain. A majestic mission-style fireplace warms the expansive living room with its gleaming hardwood floors and vaulted, beamed ceilings. Recessed nooks and wall sconces add a romantic touch to the immaculate walls and fireplace. New stainless steel appliances, single-unit washer/dryer and tile counters lend to the efficient kitchen with pantry. Sunlight streams through an enormous arched window in the spacious master bedroom. A second bedroom provides space for family, guests, or a home office. This highly desirable condominium also features a formal entryway and intercom system. Heating, Electrical, Water and Garbage are included in HOA dues.
